OFFICE NOTE

Subject - Withdrawal of acquisition of D No 305, Fort Mohalla, Ramanuja Road, Mysore

--

It is seen from the enclosed records that the acquisition of the above property was sanctioned for the purpose of granting the vacant land to the neighbour by name Yeggamma as she complained to the Health Officer that the house in question is in a dilapidated dangerous condition

The acquisition is not for a public cause and the provisions of the Land Acquisition Act are not applicable in this case Secondly the building is not in such a bad condition when compared with other constructions in the same locality and the party has effected certain minor repairs and he is too poor to invest any more money The Committee consisting of the Land Acquisition Officer, Trust Board Engineer and the Vice-President, have also opined that the acquisition may be withdrawn

I have also inspected the building along with the Trust Board Engineer on 5th April 1948 and the subject is placed before the Board for withdrawing the acquistion
